OPEN LETTER

Governor C. L. "Butch" Otter
P. O. Box 83720
Boise, Idaho 83720

Subject: Socialists must stop trying to change our form of government.

Dear Governor Otter:

I am referring to an article entitled, "[Where Were You When the Republic Died?](#)" It concludes that the socialists are overthrowing the Constitutional government. It appears to be their socialist goal. Do the socialists understand the Constitution and its purposes and limitations? In any case, they must be stopped from overthrowing it! Nevertheless, they are trying to *change our form of government*.

from

"of the people, by the people, and for the people"

into

"of the socialists, by the socialists, and for the socialists."

The Constitution belongs *to the people!* The *Bill of Rights* belongs *to the people!* The *people* ratified both of these two documents. These documents are the property *of the people*. They cannot be sold away without the permission *of the people* who are the owners! Obama, Biden and Pelosi don't understand who owns these documents!

Any time someone tries to sell my automobile without my permission, I will remind them that I own the "pink slip", and nothing changes without my signature and my permission. It is the same with the Constitution and the Bill of Rights. These cannot be bargained and sold away without the permission *of the people*. Socialists must stop these unlawful actions!

By moving people under a socialist system against the will of the people, as they are attempting to do with the Obama HealthCare legislation, without their permission, cheating the people out of their rightful authority, and making them subjects of the federal dictatorship now in office, a major mistake has been made. It is not a constitutional action. This legislation is a fraud, a misconstruction, and is totally UNCONSTITUTIONAL. Let's call it what it is and invalidate Obama HealthCare!

Anyone who tries to put an end to the authority *of the people* is guilty of embezzlement, fraud, and/or sedition. Were not the acts of bribery easily apparent that went on during the Obama HealthCare negotiations *in buying "yes" votes?* Aren't these socialists guilty of criminal offenses? We think so! Do we have any lawfully trained lawyers left in this country who will explain the law to Obama/Pelosi/Biden on the way to their impeachment trials?

Most sincerely,

Bernadine Smith
