

IS OUR NATION DIVISIBLE OR INDIVISIBLE?

The salute to the flag of the United States of America emphasizes these principles. Men have fought and died to preserve these principles:

I pledge allegiance
to the flag of the
United States of America,
and to the republic
for which it stands,
one nation under God,
indivisible,
with liberty
and justice for all.

THE FLAG-RAISING AT IWO JIMA

How much respect can we have for those men who sit in public offices, planning for regional government, the purpose of which is to make the nation divisible into a series of smaller countries for control under the United Nations? Is this behavior not a violation of the trust for which men gave up their lives?
