

## THE CIRCLE OF HOPE

There is no better advice I can give you than what worked at the time when FDR was stopped: "cut the globalists off at the pocketbook". Give this effort your support! Try to repeat the successful solution Governor Ralph Carr set into motion.

### A guide line!

Here's how it would work:

- (a) Reliable and documented information.
- (b) A respected notable telling the shocking facts.
- (c) Broad coverage including national news attention.
- (d) An aroused public protesting super loudly and continually.
- (e) Newspapers would have to report complaints and print about it.
- (f) Demonstrations broadcasted and public then begins to connect the dots.
- (g) Awareness reaches sufficient % of national population and word spreads.
- (h) State Pressure brought to bear. Federal officials cannot refuse to cut off funding.
- (i) Outcry sufficient. Demands continue from the public. Funding must be stopped.
- (j) If needed, IRS1040 tax money is put in escrow. All funding of the federal government is stopped until they agree to repeal the United Nations Participation Act of 1945 and 1949.
- (k) If the federal government refuses, the states are forced by the people to meet, draft proper legislation themselves, and mandates both United Nations Participation Acts as being repealed.
- (l) The jig is up! The states hold the power to do this. There is no court review on a bill of repeal.
- (m) Use the premier principle in international law to void the United States Membership in the United Nations: *Rebus Sic Stantibus*. The U.N. Charter was never a treaty as pretended.
- (n) Use the ideas listed in "Four Resolves" to withhold salaries in accord with the Fourteenth Amendment. You have to cut them off at the pocketbook! There is no violence in using This method. It is a peaceful way to end the subversion. If the United States stops funding it, the United Nations would collapse. However, it is necessary that an official action be executed, which calls for the United Nations Participation Act of 1945 and 1949 to be rescinded, revoked, and repealed. Use Ron Paul's legislation H.R. 1146, 106<sup>th</sup> Congress, 1<sup>st</sup> Session. If Patrick Henry were here today, he would wind it up by asking: "Why stand we here idle?" Even if you are successful using this effort, the globalists will come back again and again. Generations in the future must stay on guard because sedition never ever ceases!

This is a  
good idea!

# "METRO" NETWORK (IN PART)

The above chart was drafted by pioneer reporter Josephine Hindman.

RE: METRO CHART... With closer scrutiny one can see that all facets of city, county and state governments are locked into this program. To function they need the federal revenue sharing funds, and the federal grants. Please review carefully the 23 divisions or groups itemized on the left side of the METRO CHART. The operation and implementation of their objectives converts our local self-determinations into federal socialist programs.

This network, developed by the Rockefellers, to indoctrinate our public officials and redirect the course of American gov't. so it could be managed by global government.
