An Urgent Need!!! To all my friends:

I am making a special request of you. We have very very few really truly constitutionally patriotic people in office that we can turn to, and the socialists are working desperately hard to unseat those good people. I received word today that a good state legislator in Missouri is being attacked by the one-worlders who are printing lies about him to get him out of the state of Missouri. They have a big balance in their checkbook to be able to afford to propagandized him out, and Jim Guest does not have the funds to compete against them before the election. Ron Paul wanted Jim Guest to be his running mate as vice-president when Ron Paul ran for president, so that will tell you what a good person Jim Guest is.

My plea to you is please send a donation, of any amount payable to: "Friends for Jim Guest", so he won't lose in this Tuesday's election. You can go thru pay/pals on the Internet for a fast donation - or make - a fast phone call and tell him the amount of your check that is coming - no amount is 'too little' Just send him what you can while he still has a last minute chance to stay in office. If you want to phone and tell him that you are putting a donation in the mail for sure, his phone number is 1-660 483 0901. Louise, his right hand aide, will most likely answer. His mailing address is: P.O. Box 601 King City, Missouri 64463.

Please do it right away. Let's pull together as supporters of our true republic before it is too late. We are almost there! I am working on another project that I hope will help. More later. Thanks, to all who help. Sincerely, Bernadine Smith
